Dear Parents,

Good day!

On November 2, the school will officially begin after school t-ball/softball for K - 5 students. It is a voluntary activity that your child can participate in after a full day of schoolwork. This program is designed as a parent-led activity. This is purposely done in line with Morrison's belief in school – home partnership in molding your children.

In this regard, I would like to invite you and your child to participate in the above mentioned activity. This is a perfect avenue for your child to learn valuable lessons outside the classroom setting. It is also an ideal opportunity for you to be involved not only with the school's activities, but more importantly with your child's affairs in school.

This year, the schedule for after-school sports will be as follows:

- Kindergarten – 3rd Grade - Mondays & Wednesdays
- 4th & 5th Grade – Tuesdays & Thursdays

A fee of 100 NT will be collected as registration for your child's participation.

I am looking forward to working with you.

Respectfully Yours,

Dondi Peleo
EMS Athletic Director
