AGREEMENT

*Morrison’s board requires that all business students must have at least one parent who lives in Taiwan. Any time both parents will be out of the country at the same time MUST be reported to the dorm parent. By asking that our child be admitted to a dorm, we are stating that **we understand and agree** to abide by this policy.*

*We understand that although care will be taken to prevent accidents to the students while under the Boarding Division’s supervision, sometimes accidents are unavoidable. If an accident should occur, **we authorize Boarding Division personnel to take appropriate emergency action until parents or legal guardians can be contacted.** In doing so, Morrison Academy will not be held liable. We understand that boarding staff cannot provide care for all serious injuries and illnesses, and that a parent may be required to provide the necessary care.*

In addition we understand that if our child lives off-island he is to have a legal guardian residing in Taiwan who is authorized to make any parental decision in our place.

We have read the current “Dorm Student Handbook” in its entirety and discussed the issue of dorm parent authority. We commit to living cooperatively within the rules and guidelines of the Morrison Academy Boarding Division.
