# HIGH SCHOOL ATHLETICS UPDATE

This past week saw the Mustangs in action with some impressive results. On Tuesday, the boys varsity soccer team and girls varsity volleyball team traveled south to face KAS in important qualifying games. The boys came out on top with a solid 2-0 victory, while the girls dominated with a 3-0 sweep—both teams earning crucial wins in their quests for tournament success.

On Wednesday, the JV teams took the spotlight as the boys soccer team hosted MAK and cruised to a 5-1 victory, marking their second qualifying win of the season. The girls JV volleyball team fought hard but fell just short in a highly competitive match. Meanwhile, the boys varsity volleyball team hit the road to take on a local school, gaining valuable experience against a tough opponent.

This Friday, the girls varsity volleyball team will test their skills against a local club in what promises to be an exciting matchup. Don't forget to support the Mustangs this weekend at the 9th Annual Morrison Invitational Swim Meet! With 11 schools from across Taiwan and over 200 swimmers competing, the action kicks off on Friday and continues through Saturday. Let's go, Mustangs!

# A MESSAGE FROM OUR HIGH SCHOOL CHAPLAIN

Greetings, parents!

Our chapel series "Christianity in Five Sentences" is coming to an end this week. Because of some scheduling conflicts, it is ending a week earlier than planned. In case you are curious, these are the five sentences we have worked through.

1. God is love.
2. The love that is God is crucified love.
3. We are called to friendship with the risen Jesus.
4. We cannot love God if we do not love each other.
5. We live our love out from the community created by the Spirit.

We also covered and answered one objection' to each idea as we went through them. As I said before, we have been thrilled with the student responsiveness during our journey through this 'overview' of Christian faith.

Our next chapel 'block' (starting after Fall Break) will be a three-track split series. Our community's very own Nathan Keller and Austin Chang will be each leading a series (and I will offer one as well), and students will be able to choose which one they want to attend. More info will follow in the coming weeks.

Best,  
Ben Simmons / 史博恩
