HIGH SCHOOL ATHLETICS UPDATE

Mustangs Shine in ACSC Tournaments!

This past week, the Mustangs took part in the fall season ACSC Tournaments, competing against seven other Christian international schools from across Southeast Asia. The ACSC tournaments not only provide a platform for exciting competition but also offer cultural experiences and service projects in the host countries.

The Boys Volleyball team traveled to Indonesia, where they battled through tough matches and injuries to secure a 5th place finish. Meanwhile, the Boys Soccer team hosted their tournament right here at MAC. For many of the players, this was their first ACSC experience, and despite falling 1-0 in a close final game, they finished 6th and gave a commendable effort.

Our Girls Volleyball team traveled to South Korea, where they enjoyed cooler temperatures and delicious Korean BBQ. Competing at a high level throughout the tournament, they advanced to the semi-finals and fought hard in a tough loss, earning an impressive 3rd place finish. In other action, the JV Girls Volleyball team won their qualifying game against IIS, while the JV Boys fell just short in their match against IIS.

This week, we wish the Mustang Swim Team the best of luck as they head to Hong Kong for the ACSC swim meet, and the Boys JV Soccer team as they travel to MAK for their end-of-season TISSA Tournament.

Stay tuned for more updates on Mustang athletics through our [Taichung HS Sports calendar](#) and social media pages.

A NOTE FROM OUR HIGH SCHOOL CHAPLAIN

Greetings Mustang community!

Today was an eventful day in HS chapel. Students made their selections for our three-track chapel series, and we had an optional time of worship led by our wonderful adult team leaders. We want to say a huge thank you to Jesse Simmons, Val Jones, Chad Edwards, and Jeff Tan for leading us in worship! We had 45 students choose to stay and participate.

Just as a reminder: Our next chapel 'block' (starting next week and continuing to Week Without Walls) will be this three-track split series. Our community's very own Nathan Keller and Austin Chang will be each leading a series (and three Morrison teachers will be sharing for the third series), and students will be able to choose which one they want to attend. The three series are:

1. What does it mean to be a "disciple" of Jesus? (led by Nathan Keller)
2. Austin Chang will be sharing how he - as a Taiwanese Christian - came to understand and encounter Jesus.
3. Three different teachers will be sharing about moments in their life where things "did not go according to plan," and how they found hope in the midst of those circumstances.

We (as always) appreciate your prayers for all of our students as these series get started next week. We are excited for all God is doing in our community.

-Ben Simmons, HS Chaplain
