## AN UPDATE FROM THE HIGH SCHOOL CHAPLAIN

Greetings, parents!

We continued our three-track series today in chapel, which will conclude the week after Thanksgiving Break. Here is a short report from a student who was in Austin Chang's session today:

"Mr. Chang shared with us that God's grace is most clear in our lives when we are at our weakest. There are many times in our life when we do feel like we have the strength to make it through whatever it is we are undergoing. In those times, we are not supposed to have to rely only on ourselves. That strength has to come from somewhere else. It was inspiring to hear how that has been true in Mr. Chang's life."

Best,
